

Brown County students do not reflect Wisconsin's norm in a number of areas. This has resulted in greater resource needs that are deserving of special consideration.

FREE and REDUCED LUNCH

- Brown County – 41.0% (2015 data from <http://education-places.startclass.com/l/3671/Brown-County-WI>)
- Kewaunee County – 25.6% (2015 data from <http://education-places.startclass.com/l/3695/Kewaunee-County-WI>)

Special Consideration: *Brown County does not reflect the norm of the State in Economic Disadvantage, as shown by the number of schools that qualify directly, without parent completion of a self-report form, for free or reduced price school lunch assistance. Certified Eligibility for an entire school is based on the number of families in that school that are receiving assistance through certified Federal and State programs.*

ENROLLMENT TRENDS (Data from USA.com: <http://www.usa.com/rank/wisconsin-state--population-growth-rate--county-rank.htm>)

- Brown County is ranked #9 with a growth rate of 11.43%
- Kewaunee County is ranked #45 with a growth rate of 1.77%

Special Consideration: *Brown County does not reflect the norm of the State in the increase in enrollment of families where English is a Second Language. Brown County has a higher rate of English Learners that are Asian in grades K-12, and a higher rate of Elementary students that are Latino children.*

HOMELESSNESS

Homelessness Brown County 1,012 students (<https://www.achievetbrowncounty.org/increasing-poverty-2016-version-2/>) and Rights information (https://nche.ed.gov/downloads/ehcy_profile.pdf)

Special Consideration: *The number of homeless students in Brown County tripled from approximately 300 in 2003 to more than 1300 in 2014.*

The children of families that are Homeless are to receive the following

- *Right to remain in the school of origin, if in the student's best interest •*
- *Right to receive transportation to and from the school of origin •*
- *Right to receive support for academic success*

ENGLISH LANGUAGE LEARNERS

English Language Learners in Brown County: Brown = 8.8 vs. State = 5.27% (Data from <http://education-places.startclass.com/l/3671/Brown-County-WI>)

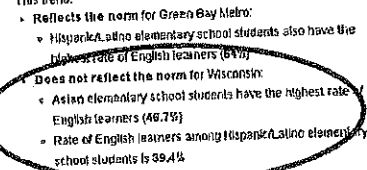

(NOTE: This is the same as presented above for enrollment)

Special Consideration: *Brown County does not reflect the norm of the State in the increase in enrollment of families where English is a Second Language. Brown County has a higher rate of English Learners that are Asian in grades K-12 and specific to Elementary a higher rate of Latino children.*
